# Community Conversations

with RA Maeve

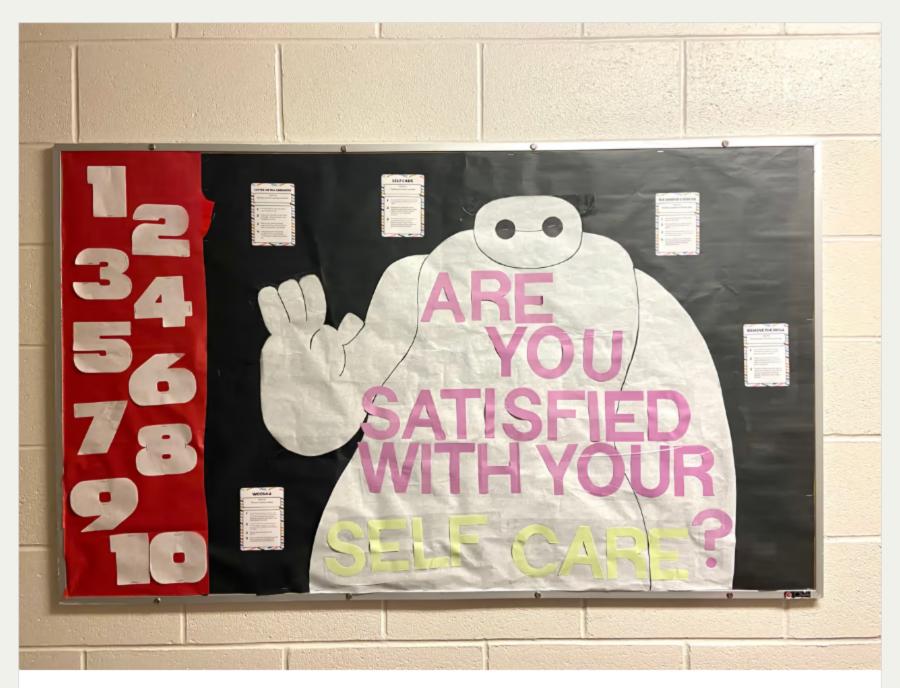

**RA Maeve Cox** 

During the 2022/23 school year I provided information and resources about Quinnipiac to first year students through different forms of media. These forms of media includes bulletin boards, flyers, GroupMe messages, weekly emails, and face to face conversations. I utilized the graphic design program Canva to create flyers for events I was hosting and co-hosting as a First Year Residential Assistant.

In addition to standard RA duties I also serve as a Learning Living Community (LLC) RA for 3+1 Communications. 3+1 is a accelerated dual degree program in which students earn their Bachelors and Masters degree within 4 years. In partnership with RA Ben Darling and Faculty Affiliate (FA) Dr. Terry Bloom, we work to create a community and programs with the focus of communication studies.

- College of Arts and Sciences

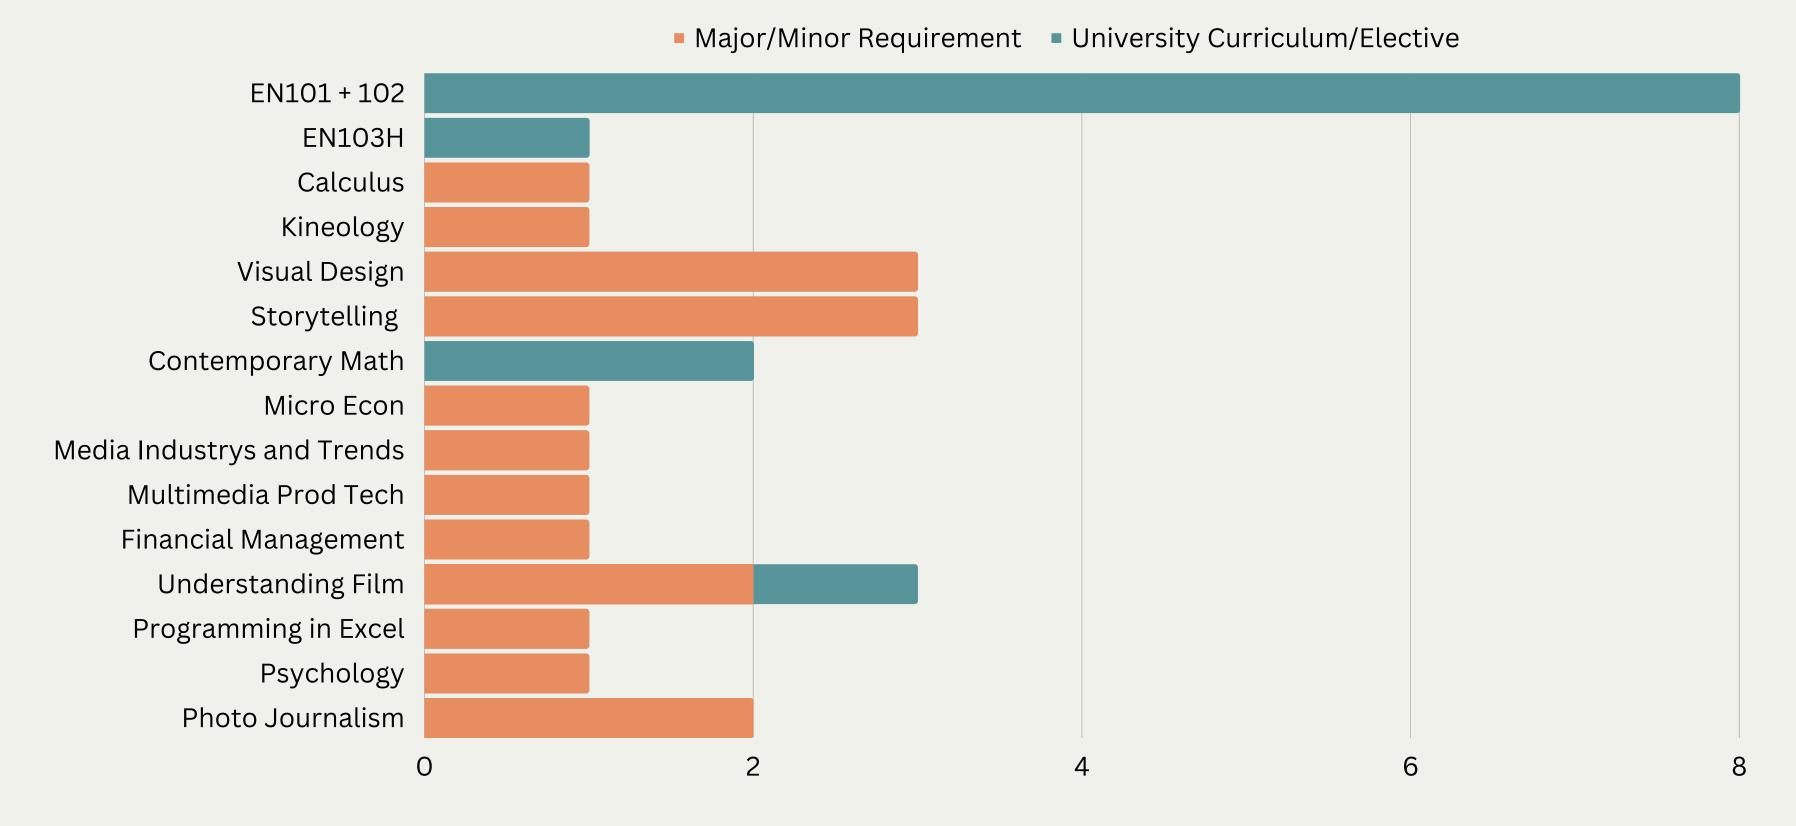

# Minors

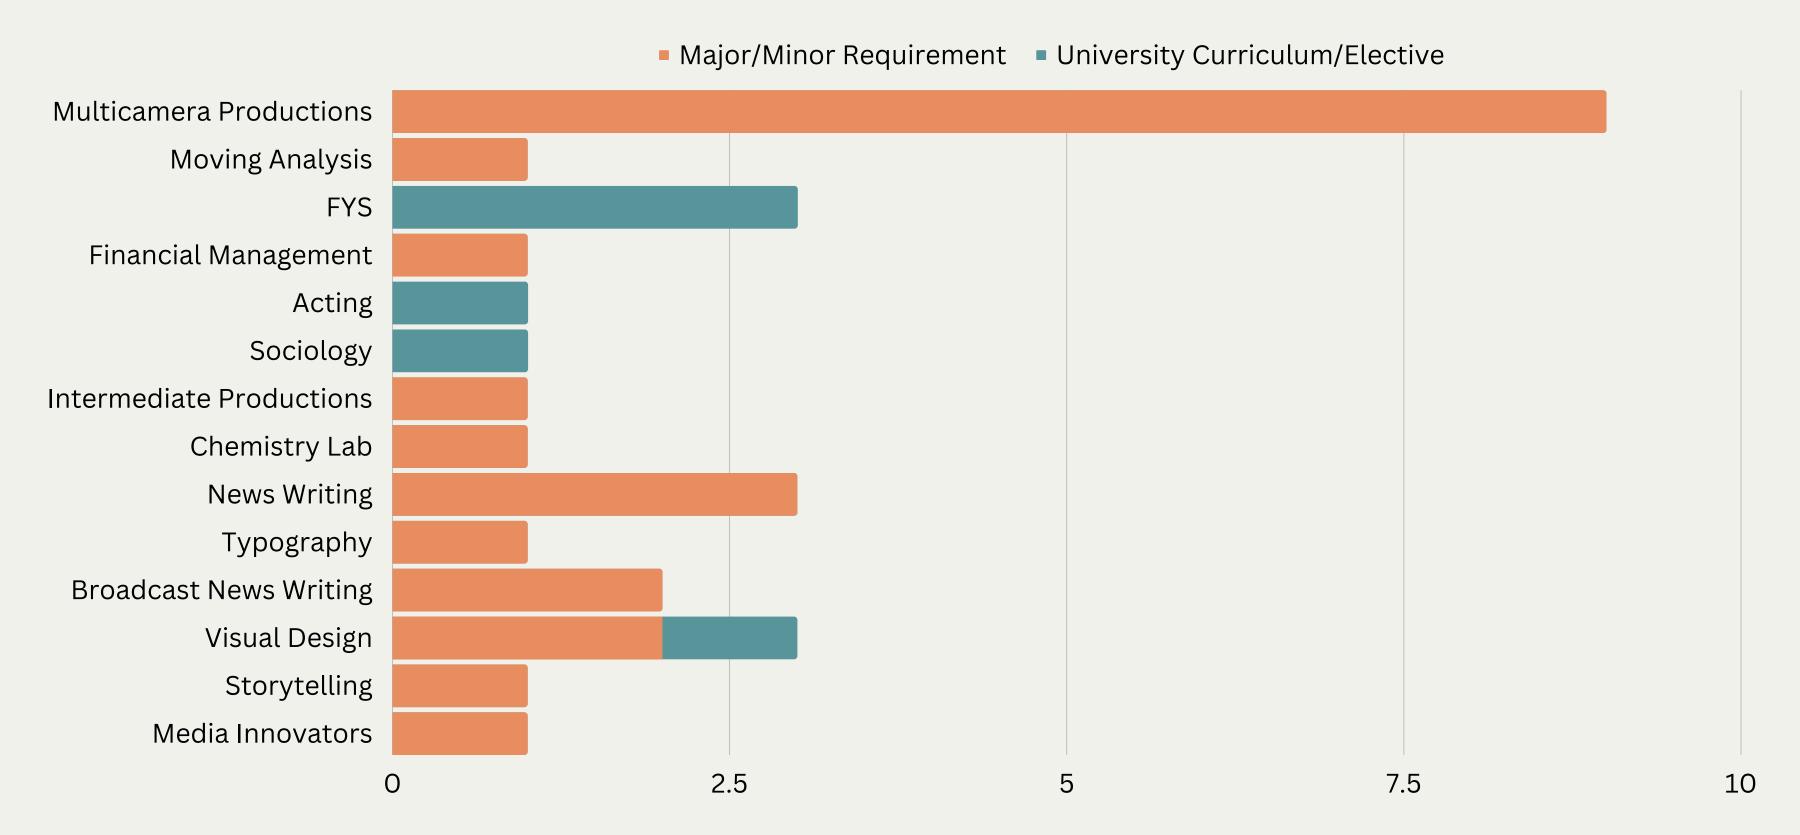

The fourth floor of Ledges is home of the 3+1 Communications LLC but consists of different minors within:

- School of Communications
- School of Business
- College of Arts and Sciences

# Hardest / "Dreaded the Most" Courses

## **Favorite Courses**

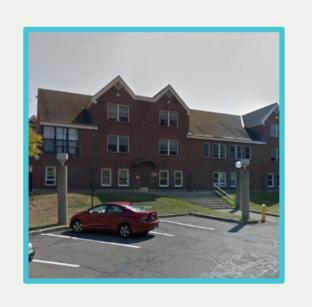

## **Next Years Plans?**

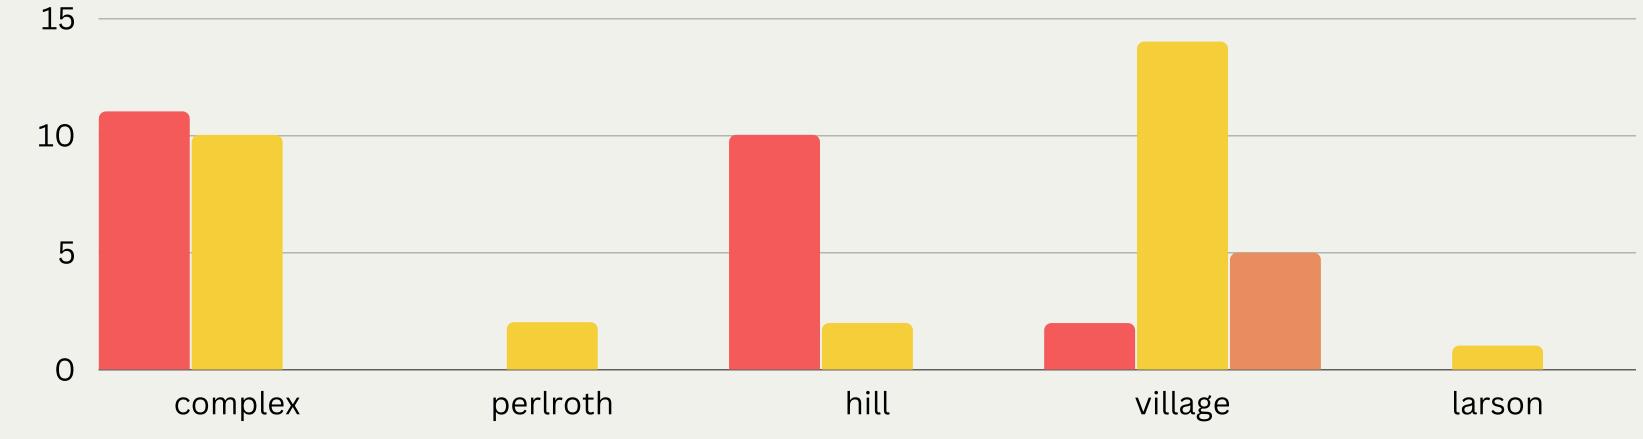

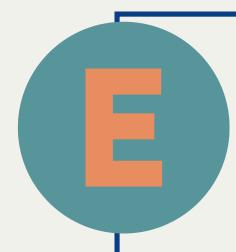

## **Enjoying College?**

"LLC made making friends easier"

"Hard transition, but I am doing good now"

"I have a strong friend group"

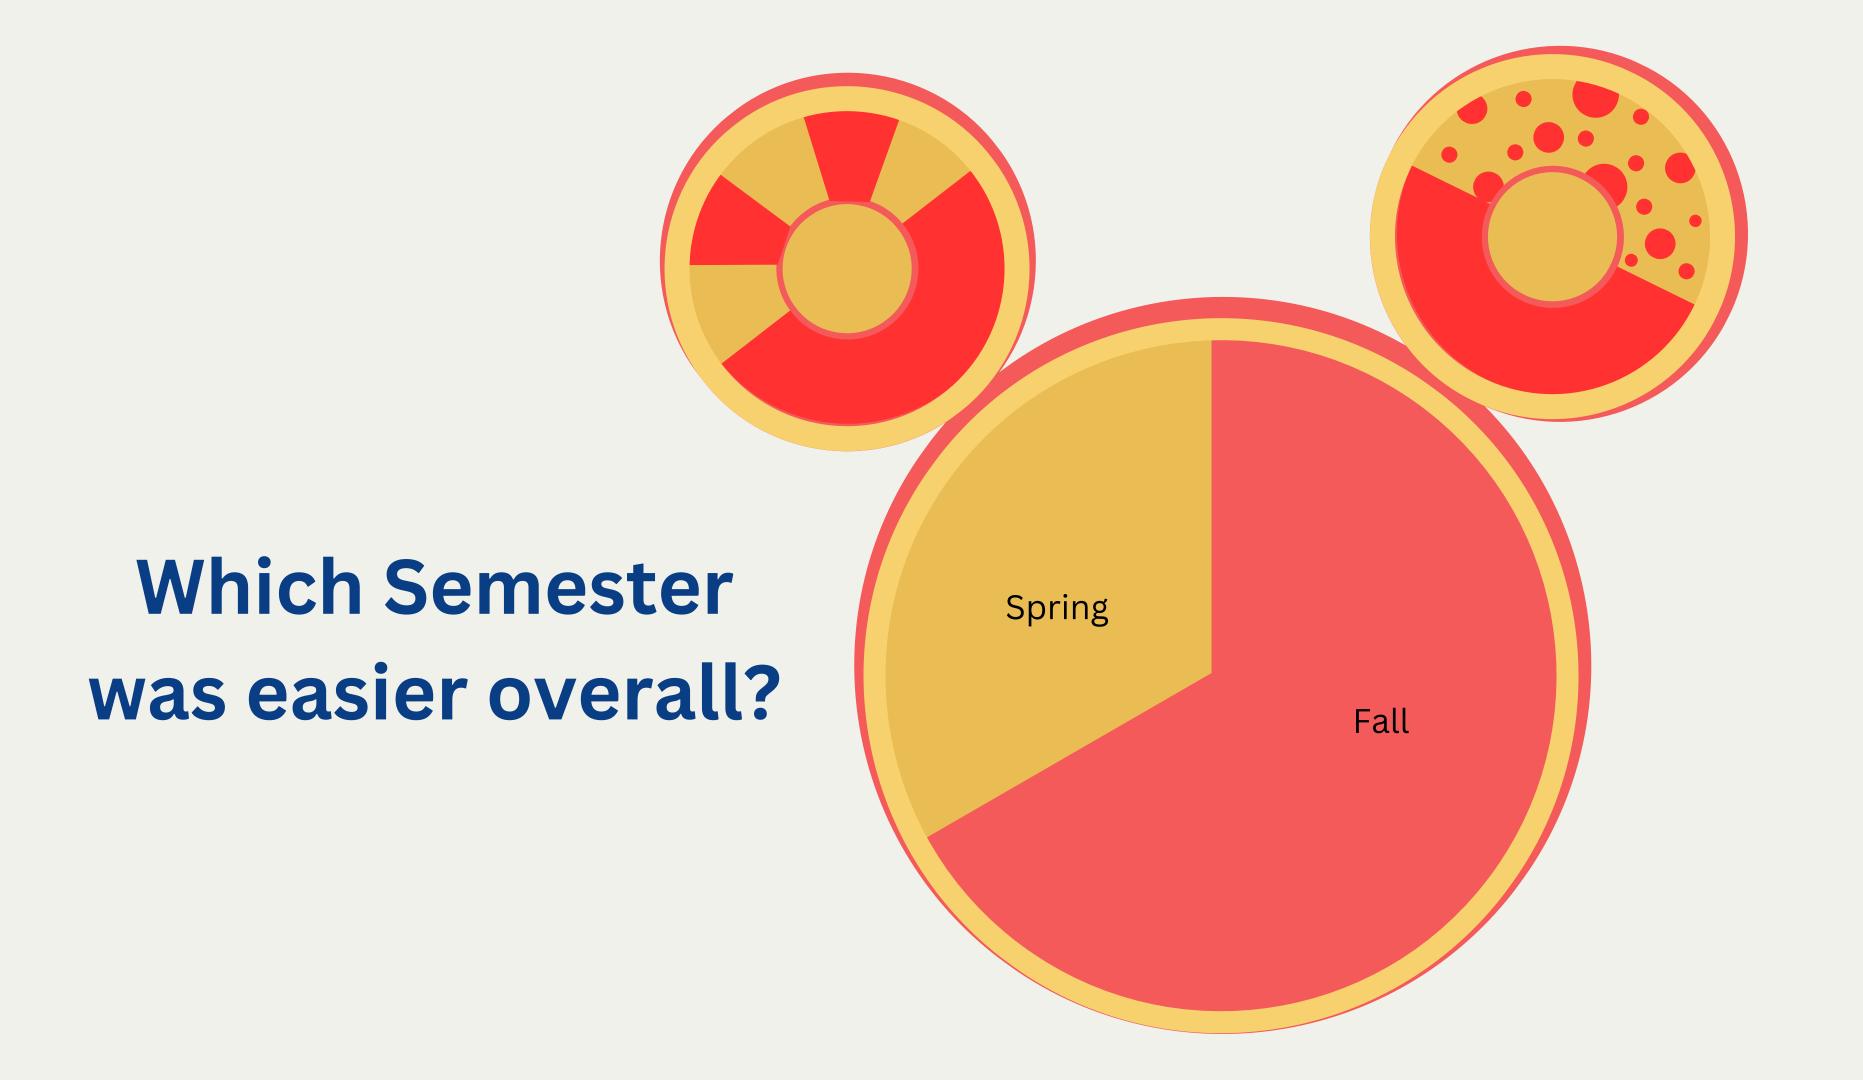

" Making friends within the LLC + major was easy. Making friends outside of major was tricky"

"Fall semester is like the honeymoon phase of college"

"Schedule was weird to get used to"

"Spring semester is more project based work"

"Absolutely, I love the community here and I've involved myself in groups that have supported me and give me amazing opportunities."
